## LAYBY POLICY

### TERMS AND CONDITIONS

- A layby is only applicable to HawksNest memorabilia items \$995 and above.
- Layby's are for a total period of 3 months and should not exceed that time period.
- First payment must be 1/3 of the total purchase price on the day of issuing the layby.
- Remaining payments are to be made by cash or taken out of the customers designated credit card on the 15th day of each of the following two months. After each payment, a receipt will be issued confirming payments made and the balance remaining.
- A credit card number with validity for the duration of the layby terms is required to complete automatic monthly transactions.
- Layby items cannot be exchanged or refunded once the layby has been finalised. Whether this be due to the purchaser changing their mind or finding the same memorabilia piece for a cheaper discounted price at HawksNest or another retail store.
- Failure to complete total payment of a layby within the specified time or customer cancellation will result in the forfeiture of the memorabilia. Upon customer cancellation a termination fee of 10% of the original item price will be charged for storage and administration costs. The remaining amount will be refunded to the customers designated credit card or a store voucher for cash payments.
- Item will be available once final instalment has been received in full. Once the first payment of the layby has occurred, the item(s) is non transferable.
- Cash or EFTPOS payments can be made at HawksNest Waverley or by calling HawksNest on (03) 9535 3011.
