

Registering a Team Name

1. Please select **Team Registration** in the top menu

2. Select **Register Team** on the right side of the event page

3. Complete the form with your team's details.

- The '**Password**' field refers to the password that you will provide to your team members so they can also join your team.
- The '**Admin Password**' field is the password that will be used by the team manager to login and manage the team registration.

4. Click **Register**.

Once you have registered your team, a confirmation email will be sent to the email address provided. Your team name and team password needs to be communicated to any of your friends or family who wish to enter your team. They will require both details in order to register successfully.
